**RESPONSE J (AFTER FINAL)**

Applicants have the following response to the Final Rejection dated October 4, 2007.

Applicants will address each of the Examiner's objections and rejections in the order in which they appear in the Final Rejection.

**Information Disclosure Statement**

In the Final Rejection, the Examiner objects to the information disclosure statement (IDS) filed 7/31/2006 as not including a copy of the cited foreign document. The "IDS" of 7/31/06 (actually filed with a certificate of mailing on 7/26/06) was merely the correction of the corrected 1449 form filed on 5/25/06, to correct the serial number on the 5/25/06 form.
